Experience Letter

Hello there,

I am writing to confirm that **Mr. Onkar Govind Satpute** has completed a **One-Month** from **Feb 5, 2023 to March 9, 2023** with our company as a **Front-End Developer Intern.** During this time, he has demonstrated strong skills in communication, quick learning, and problem-solving.

Mr. Onkar Govind Satpute has actively participated in team meetings and has consistently provided valuable input and insights. he has also shown a strong ability to learn new skills and apply them in a practical setting. His problem-solving skills have been particularly noteworthy, as he has consistently been able to troubleshoot and resolve technical issues in a timely and effective manner.

Overall, **Mr. Onkar Govind Satpute** has been a valuable addition to our team and we have been impressed with his performance during the internship period. We would highly recommend him for future opportunities in respective position role.

Offer Letter

Dear **Mr. Soham Gujrathi**,

We are pleased to offer you a **frontend internship position** with our company for a period of **1 months**, starting from **5 Feb 2023**. This internship will require you to work for 4 hours a day, from 11:00 to 15:00, with Sunday being an off day.

As a frontend intern, you will be responsible for **developing and maintaining the user interface of our web applications**. You will work closely with our development team and have the opportunity to gain valuable experience in the industry.

During your internship, you will have the following responsibilities:

- Develop and maintain the user interface of our web applications.
- Collaborate with the development team to ensure that the frontend design is consistent with the overall application design.
- Troubleshoot and resolve frontend issues that arise.
- Participate in code reviews and provide feedback on code written by other team members.

To be considered for this position, you must have:

- Strong proficiency in HTML, CSS, and JavaScript.
- Experience with at least one modern frontend framework such as React or Angular.
- Familiarity with version control systems such as Git.
- A passion for frontend development and a desire to learn new technologies.

In return for your hard work and dedication. Additionally, you will receive guidance and mentorship from our experienced team members.

If you are interested in accepting this offer, please sign and return a copy of this letter to us by **3 March 2023**. We look forward to working with you and helping you grow in your career.

Hello there,

I am writing to confirm that **Mr. Shubham Bhausaheb Deshmukh** has completed a **One-Month** from **Feb 5, 2023 to March 9, 2023** with our company as a **Front-End Developer Intern**. During this time, he has demonstrated strong skills in communication, quick learning, and problem-solving.

Mr. Shubham Bhausaheb Deshmukh has actively participated in team meetings and has consistently provided valuable input and insights. he has also shown a strong ability to learn new skills and apply them in a practical setting. His problem-solving skills have been particularly noteworthy, as he has consistently been able to troubleshoot and resolve technical issues in a timely and effective manner.

Overall, **Mr. Shubham Bhausaheb Deshmukh** has been a valuable addition to our team and we have been impressed with his performance during the internship period. We would highly recommend him for future opportunities in respective position role.

Offer Letter

Dear **Mr. Shubham Deshmukh**,

We are pleased to offer you a **frontend internship position** with our company for a period of **1 months**, starting from **5 Feb 2023**. This internship will require you to work for 4 hours a day, from 11:00 to 15:00, with Sunday being an off day.

As a frontend intern, you will be responsible for **developing and maintaining the user interface of our web applications**. You will work closely with our development team and have the opportunity to gain valuable experience in the industry.

During your internship, you will have the following responsibilities:

- Develop and maintain the user interface of our web applications.
- Collaborate with the development team to ensure that the frontend design is consistent with the overall application design.
- Troubleshoot and resolve frontend issues that arise.
- Participate in code reviews and provide feedback on code written by other team members.

To be considered for this position, you must have:

- Strong proficiency in HTML, CSS, and JavaScript.
- Experience with at least one modern frontend framework such as React or Angular.
- Familiarity with version control systems such as Git.
- A passion for frontend development and a desire to learn new technologies.

In return for your hard work and dedication. Additionally, you will receive guidance and mentorship from our experienced team members.

If you are interested in accepting this offer, please sign and return a copy of this letter to us by **3 March 2023**. We look forward to working with you and helping you grow in your career.
