## Guide Lines

Following are the guidelines for award of marks in each term work under the continuous assessment system to maintain the uniformity while assessing term work internally at college level.

1. Each practical / experiment should be assessed out of 10 marks.

The split up of these 10 marks shall be maintained as below

- i) Performance of practical and oral during the practical : 05 Marks
- ii) Completion / writing of journal : 05 Marks

Total of Marks in each turn in ( i ) & ( ii ) : Out of 10 Marks

Total of Marks in all experiments during the semester : B (Out of 10)

2. Marks on the basis of overall attendance in all theory subject : Out of 05 = C

Split up of marks based on attendance : 95 % & above : 05 Marks

: 85 - 94 % : 04 Marks

: 80 - 84 % : 03 Marks

: 75 - 79 % : 02 Marks

: Below 75 % : 00 Marks

4. Marks on the basis of class tests / Preliminary Exam / assignments (conduct 02 tests, One Preliminary exam and 3 assignments of marks each in every subject & convert marks out of 10) : D (Out of 10)

Final marks to be awarded to students in respective term work at the end of term out of 25 : B + C + D

### Note :

1. The signature of every student should be obtained on continuous assessment sheet at the end of every semester & marks in term work should be displayed on notice board for the information of students.
2. Signature of students should be obtained on separate sheet in every turn of practical.
3. Attendance of students for actual number of day of participation in NSS / Sport / Cultural / Co-curricular activities outside the college premises shall be considered only if the records of events & Certificate of participation is submitted by individual student through Incharge of activity and H.O.D. within one week of the event to the Principal.
