Subject: IMPORTANT REGARDING BE CHEMICAL SYLLABUS MODIFICATION

To: "Vijay Tolukar" <vijaytolukar@gmail.com>

Dear All,

Greetings,

As you are aware that we need to modify the BE Chemical Engineering syllabus which will be applicable from the next academic year. I need your valuable cooperation to do this as soon as possible.

After consulting with our Team Members along with Group Coordinator and their Contact persons, I am attaching the list of Team Members along with Group Coordinator and their Contact persons whom we have approached for the same.

Through the list had limited number of members, the Group Coordinator has the liberty to add any faculty or competent person (from Industry etc.) to his group and prepare the best possible syllabus.

For the purpose of clarity I am attaching here with the sample format of syllabus (please adhere to this while preparing the syllabus) and rest of all groups and their coll. etc. This will help you to interact with other groups and take advantage of possible inputs from them. We are aiming to complete the syllabus by end of Dec 2014, so that it can be submitted to the concerned authority as soon as possible after finalizing the syllabus.

I request you to offer your suggestions and comments on the attached syllabus. This will contribute significantly to the success of our syllabus. Please forward your comments to me at my e-mail account. We will forward your suggestion to the concerned authority.

The last date for submission of syllabus is 30th December 2014. After receiving your comments, we will forward the same to the concerned authority.

If everything is done in-time then depending on the availability of time the SBCOE may organize a one day workshop to discuss the syllabus as it was done earlier.

Hoping for the best possible support from all of you as you have been extending in the past.

Important (for subject coordinators): Please send me a confirmation mail after receiving this mail. If you are unable to receive this mail, please let me know.

Thank you and regards,

Sachin
