MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 11th July 2017

Between

Gokhale Advanced Training Institute, a training institute based at Jalgaon having its registered office at 23, Sneha Sudha Appartments, New Samarth Colony, Jalgaon - 425002 Maharashtra, India (hereinafter called "**GATI**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "**College**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(**GATI** and College are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration

This MOU shall be valid for two (2) year/s from 11th July 2017 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein GATI would be:

- Providing Technology and skill based training to the students of College in order to enhance the quality of the educational experience of the students.
- Taking up CSR activities in mutual consultation and agreements.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training and such other agreed training at College premise.
- College shall share the data base of the students with GATI for the adequate promotion of the courses and or recruitments,
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training to be conducted at College premises and for employment purpose,
- College shall collect fees from the students for all the courses conducted at its premises and share the enrollment list along with fee payment details to the company if any and decided mutually,
- College shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. GATI Standard of Performance:

GATI shall expend reasonable efforts as follows:

- GATI shall provide competent faculties, experts for the conduct of training, seminars, lectures at College premises as agreed and as per availability
- GATI shall provide College with the study material / notes as agreed between the parties and the College shall use these as per GATI guidelines and policies.
- GATI agrees to complete the training with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- GATI shall provide certificates to all students who have successfully completed the training, projects.
- GATI will full fill the quality of service terms of the college in terms of training programs.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between GATI and College. GATI and College are not authorized to make any representation, contract, or commitment on behalf of College / GATI without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

Course / Modules for training can be designed on mutual agreements as per the requirements and can be conducted at Company or College premises. The fees for the same can be approved by mutual discussions.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is

independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- **Arbitration:**
 - Any and all disputes or differences between GATI and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.

- **Copyrights and Ownerships:**

- All the course material/ courseware/ books and such other training material provided by and allowed for distribution are sole property of GATI (hereinafter referred as "Training Material").
- College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.

- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with GATI.
- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

- SOHA agrees to complete the Course with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- SOHA shall provide certification to all students who have successfully completed the examinations conducted at College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between SOHA and College. SOHA and College are not authorized to make any representation, contract, or commitment on behalf of College / SOHA without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- SOHA & College will decide the rates for the courses, training mutually after discussion if required.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and

confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
 - Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
 - The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
 - Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
 - College will take the feedback from students about the quality of training after start of the training of first batch, based on which college will take decision of continuing the training programs.
- **Arbitration:**
- Any and all disputes or differences between SOHA and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.
- **Indemnification :**
- Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any, acts or omissions of their agents or employees.
- **Copyrights and Ownerships:**
- All the course material/ course ware/ books and such other training material provided by SOHA and allowed for distribution are its sole property (hereinafter referred as "Training Material").
 - College and/ or its employees, consultants etc. shall not claim ownership of such course material/ course ware/ books etc. or its customization.

- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with SOHA.
- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

INTRODUCTION

WHEREAS, "SPM Hydraulics" a firm based at Pune and having its registered office at S.No.-27, Kharadi Industrial Area, Kharadi Pune - 411 014,Maharashtra, India (hereinafter called "SPM Hydraulics" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "College" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(SPM Hydraulics and College are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MOU shall be valid for Two (2) year/s from 5th, October 2017 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein SPM Hydraulics would be providing Technology, Hands on Training in Hydraulics and Automation, Internships, Projects, Placements, to the students of College in order to enhance the quality of the educational experience of the students. Expert seminars workshops can be delivered. Training and other programs can be designed by mutual understanding depending on requirements.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training and such other agreed training at College premise.
- College shall share the data base of the students with SPM Hydraulics for the adequate promotion of the courses.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training to be conducted at College premises.
- College shall collect fees from the students for all the courses conducted at its premises and share the enrollment list along with fee payment details to SPM Hydraulics.
- College shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. SPM Hydraulics Standard of Performance:

SPM Hydraulics shall expend reasonable efforts as follows:

- SPM Hydraulics shall provide training in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- SPM Hydraulics shall provide competent faculties for the conduct of training at College premises.
- SPM Hydraulics shall provide College with the study material / standard books as agreed between the parties and the College shall use these as per SPM Hydraulics guidelines and policies.
- SPM Hydraulics agrees to complete the Course with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- SPM Hydraulics shall provide certification to all students who have successfully completed the examinations conducted at College premises.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 1 August, 2017.

Between

Brahma Valley College of Engineering and Research Institute, Anjaneri, Nashik, a College of Engineering registered under AICTE and Affiliated to PUNE University, situated at Nashik, Maharashtra, India (hereinafter called "Brahma Valley" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "SVIT" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(Brahma Valley and SVIT are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MOU shall be valid for three (3) years from 1 August 2017 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein

SVIT to provide

1. Expert faculties and Infrastructure
2. Sharing of major equipments such as Boiler, Universal Testing Machine and FFT Analyzer for conducting Practical and Training.
3. Institute would be providing facilities for Mechanical Engineering related training at SVIT to the students, Faculty of the Brahma Valley in order to enhance the quality of the educational experience of the students and Faculty, exchange of experts for seminars, workshops, Projects for the students, visits to the labs for faculty and students, and any research and development activity related to the above.
4. Laboratory sharing and consultancy work for all branches of Engineering.

3. SVIT's Standards of Performance:

SVIT shall expend reasonable efforts as follows:

- SVIT shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training, Project work and such other agreed training at College premises.
 - SVIT shall share the data base of the students with Brahma Valley for the adequate promotion of the training and or recruitments.
 - SVIT shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training, recruitment to be conducted at the Brahma Valley premises /plant or SVIT premises.
 - SVIT and or the Brahma Valley shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. Brahma Valley 's Standard of Performance:

Brahma Valley shall expend reasonable efforts as follows:

- Brahma Valley shall provide training, lab visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
 - Brahma Valley shall provide experts for the conduct of training at the Brahma Valley campus and or at the SVIT premises.
 - Brahma Valley shall provide College /students with the study material as agreed between the parties and the SVIT shall use these as per Brahma Valley's guidelines and policies.
 - Brahma Valley shall provide certificates/ completion letter to all students who have successfully completed the training, projects conducted at Brahma Valley or at the SVIT premises.

Memorandum Of Understanding

This MOU is made by and between **FullStackPoint Technologies, Pune** and **Sir Viesvesvaraya Institute Of Technology, Nashik** regarding the terms and understanding between both to conduct seminar based workshop.

Sir Viesvesvaraya Institute Of Technology, Nashik will provide the following facilities to **FullStackPoint Technologies**:

1. **FullStackPoint Technologies**, will act as a host of New trends in IT, Technologies, Mobile & Software development based workshop at **Sir Viesvesvaraya Institute Of Technology**.
2. During the entire event of the workshop, **Sir Viesvesvaraya Institute Of Technology, Nashik** would take the initiative of holding the banners and covers containing the logo of **FullStackPoint Technologies**, to be set up in various parts of the college premises.
3. **FullStackPoint Technologies** would be requiring 2 coordinators (One among Faculty and Other among Students) who with all enthusiasm will hold the spirit of **FullStackPoint Technologies**, and will assist the other students regarding any query about the workshop to be conducted in campus.
4. Both the parties should agree upon and only then, send for printing, the designs of all Posters & Banners.
5. Hospitality, Accommodation & Transport Facility from nearest station will be provided by the management of **Sir Viesvesvaraya Institute Of Technology**.
6. If the workshop is seminar based then the travelling expenses of trainer is the responsibility of **Sir Viesvesvaraya Institute Of Technology**.
7. The marketing expenses of the workshop would also be the responsibility of **FullStackPoint Technologies**.
8. The mode of payment of the revenue would be in Cash/Online/DD and it would be handed over to the **FullStackPoint Technologies**, at the end of the first day of the workshop.
9. Workshop space for two days with below mentioned technical requirements:
 - a. Seminar Room with a seating capacity of 100 students or more
 - b. An audio broadcasting system with a cordless mic
 - c. One LCD projector for presentation

FullStackPoint Technologies will provide the following facilities:

1. Two days (6 Hours each) workshop or we will decide later mutually.
2. Certificates will be provided to each participant of the workshop from FullStackPoint Technologies after the successful completion of the workshop.
3. To appreciate the work of the coordinators, FullStackPoint Technologies will reward them with the separate Coordinator Certificate along with the participation certificate.
4. Charges per Participant:
 - a. For Grade 1: INR 900/- (inclusive of all taxes) or depends on the workshop
5. As for the online publicity and promotions, FullStackPoint Technologies will do online marketing through Social Media Marketing.

Date of the MOU: September 07, 2017

This MOU is Valid upto 3 years from date of MOU -

Title : Memorandum of Understanding between College Of Pharmacy, Chincholi and PRES's Sir Vishveswaraya Institute of Technology, Department of MBA

Date :

MEMORANDUM OF UNDERSTANDING

Between

Pravara Rural Education Society's College of Pharmacy (For Women)
Chincholi,Tal:Sinnar,Dist: Nashik (COPC)

And

PRES's Sir Vishveswaraya Institute of Technology,
Department of MBA, Chincholi Tal – Sinnar Dist - Nashik

Preamble:

The Industry Institute Partnership Cell of College Of Pharmacy, Chincholi, Nashik established with a primary focus on the following domains, namely Campus Placement for Students, Interaction between Institute and Industry, Faculty Empowerment programmes, Training programmes for students on core competency development and action research programmes in pharmacy and technology.

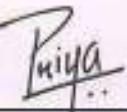

Recognizing the necessity of mutual cooperation in the field of pharmacy education and training, PRES's College Of Pharmacy, [For Women] Chincholi, represented by its Principal, Dr. Priya Rao and Training and Placement Officer, Prof. Vandana Aher and PRES's Sir Vishveswaraya Institute of Technology, Department of MBA represented by its Principal, Dr. Santosh Shelke and HOD, Prof. Amol Kare, have agreed to pursue joint efforts that will mutually benefit the two organizations in fulfilling their mandate.

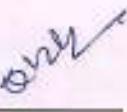

Contd.....

The areas of possible cooperation are as follows for the year 2017-18 :

1. To have an association with the institute to deliver lectures by staff for the upgradation and personality development /Soft skill development of students.
2. To have an assistance in guiding competitive examination like CAT/CET for doing MBA.
3. To conduct Mock interview for the students to make them practise to face the interviews.
4. To have industrial visits of students to overview the pharmaceutical processes and equipment.
5. To guide our students for the development of entrepreneurship/distribution chain management.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training, Project work and such other agreed training at College premises.
- College shall share the data base of the students with CODING VISIONS for the adequate promotion of the training and or recruitments.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training, recruitment to be conducted at the company premises /plant or College premises.
- College and or the company shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. CODING VISIONS's Standard of Performance:

CODING VISIONS shall expend reasonable efforts as follows:

- CODING VISIONS shall provide training, plant visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- CODING VISIONS shall provide experts for the conduct of training at the Plant and or at the College premises.
- CODING VISIONS shall provide College /students with the study material as agreed between the parties and the College shall use these as per CODING VISIONS's guidelines and policies.
- CODING VISIONS shall provide certificates/ completion letter to all students who have successfully completed the training, projects conducted at CODING VISIONS or at the College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.

- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between CODING VISIONS and College. CODING VISIONS and College are not authorized to make any representation, contract, or commitment on behalf of College / CODING VISIONS without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- CODING VISIONS & College can design training programs, events on mutual understanding and decide fees if any to be charged to the students.

The training, field visit shall be conducted at the CODING VISIONS facility in a time bound manner as per availability and schedule at CODING VISIONS.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other

party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- Any and all disputes or differences between CODING VISIONS and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.
- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.
- **Copyrights and Ownerships:**
 - All the course material/ courseware/ books and such other training material provided by CODING VISIONS and allowed for distribution are its sole property (hereinafter referred as "Training Material").
 - College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
 - Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with CODING VISIONS.
 - Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between RISHABH and College. DEVSHREE and College are not authorized to make any representation, contract, or commitment on behalf of College / DEVSHREE without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 23rd August, 2017.

Between

AbracaDabra Software Solutions Pvt. Ltd., a firm based at Nashik and having its registered office at BitcoPoint, Nashik Road, Maharashtra, India (hereinafter called "**ASSPL**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.
And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "**College**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(AbracaDabra Software Pvt. Ltd. and College are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration

This MOU shall be valid for Two (2) year/s from 23rd August 2017 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein AbracaDabra Software Pvt. Ltd. would be providing Technology, Internships, Projects, Game Development, Android App Development, Web Development to the students of College in order to enhance the quality of the educational experience of the students.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training and such other agreed training at College premise.
- College shall share the data base of the students with AbracaDabra Software Pvt. Ltd. for the adequate promotion of the courses.

- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training to be conducted at College premises.
- College shall collect fees from the students for all the courses conducted at its premises and share the enrollment list along with fee payment details to Career Launcher.
- College shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. AbracuDabra Software Standard of Performance:

AbracuDabra Software Pvt. Ltd. shall expend reasonable efforts as follows:

- AbracuDabra Software Pvt. Ltd. shall provide training in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- AbracuDabra Software Pvt. Ltd. shall provide competent faculties for the conduct of training at College premises.
- AbracuDabra Software Pvt. Ltd. shall provide College with the study material / standard books as agreed between the parties and the College shall use these as per Career Launcher's guidelines and policies.
- AbracuDabra Software Pvt. Ltd. agrees to complete the Course with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- AbracuDabra Software Pvt. Ltd. shall provide certification to all students who have successfully completed the examinations conducted at College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU. As agreed AbracuDabra Software Pvt. Ltd. has nominated Sohil Shah and College has appointed Prof. S.V. Londhe.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.

- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between AbracaDabra Software Pvt. Ltd. and College. AbracaDabra Software Pvt. Ltd. and College are not authorized to make any representation, contract, or commitment on behalf of College / AbracaDabra Software Pvt. Ltd. without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- AbracaDabra Software Pvt. Ltd. & College will decide the rates for the courses, training mutually after discussion if required.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
 - The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
 - Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
 - College will take the feedback from students about the quality of training after 15 days of start of the training of first batch, based on which college will take decision of continuing the training.
- **Arbitration:**
- Any and all disputes or differences between AbracaDabra Software Pvt. Ltd. and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.
- **Indemnification :**
- Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.
- **Copyrights and Ownerships:**
- All the course material/ courseware/ books and such other training material provided by AbracaDabra Software Pvt. Ltd. and allowed for distribution are its sole property (hereinafter referred as "Training Material").
 - College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
 - Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with Career Launcher.

- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 14th July, 2016.
Between

SEED Infotech Limited, a company registered under the Companies Act, 1956 and having its registered office at 'Panchsheel', 42/16, Erandwana, Income - Tax Lane, Off Karve Road, Pune -411 004, Maharashtra, India (hereinafter called "**SEED Infotech**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

**Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology,
Chincholi Dist. Nashik** (hereinafter called as "College" which expression unless
it be repugnant to the subject or its context includes their successors and assigns)
of the SECOND PART.

(SEED Infotech and College are hereinafter individually referred to as "Party" and
collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MOU shall be valid for one (1) year/s from 8th July 2016 and thereafter it
may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein
SEED Infotech would be providing Technology and soft skill training to the
students of College in order to enhance the quality of the educational experience
of the students.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary
legal software & hardware configuration, Labs, Class rooms, Electricity, UPS,
and Internet etc. as may be required for carrying out technical training and
such other agreed training at College premise.
- College shall share the data base of the students with SEED Infotech for the
adequate promotion of the courses.
- College shall provide all such marketing and publication support as may be
required to ensure sufficient number of students for the training to be
conducted at College premises.
- College shall collect fees from the students for all the courses conducted at
its premises and share the enrollment list along with fee payment details to
SEED Infotech.
- College shall extend all such necessary co-operation for smooth conduct of
above mentioned activities and training.

4. SEED Infotech's Standard of Performance:

SEED Infotech shall expend reasonable efforts as follows:

- SEED Infotech shall provide training in such areas as may be mutually
agreed between the parties, more particularly described in this agreement.
- SEED Infotech shall provide competent faculties for the conduct of training at
College premises.

- SEED Infotech shall provide College with the study material / standard books as agreed between the parties and the College shall use these as per SEED InfoTech's guidelines and policies.
- SEED Infotech agrees to complete the Course with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- SEED Infotech shall provide certification to all students who have successfully completed the examinations conducted at College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU. As agreed SEED has nominated Mr. Ghanasham Lokare and College has appointed Prof. S.V. Londhe.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between SEED Infotech and College. SEED Infotech and College are not authorized to make any representation, contract, or commitment on behalf of College / SEED Infotech without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- SEED Infotech & College have mutually agreed for the rate of Rs. 700 per student inclusive of all for the soft skills and aptitude training module comprising of 32 hrs each.

Sr. No.	Training Module	Duration	Fees Per Student

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 11th August, 2016.

Between

Megafine Pharma Pvt. Ltd, a company registered under the Companies Act, 1956 and having its plant at Plot No. 31 to 35 & 48 to 51/201, Lakhmapur, Tal. Dindori, Dist. Nashik-422202, Maharashtra, India (hereinafter called "MEGAFINE" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "College" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(MEGAFINE and College are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MOU shall be valid for two (2) years from 11th August 2016 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein MEGAFINE would be providing Chemical, Mechanical, Electrical Engineering related training at the plant and or at a training facility to the students, Faculty of the College in order to enhance the quality of the educational experience of the students and Faculty, exchange of experts for seminars, workshops, Projects for the students, field visits to the plant for faculty and students, On-job training to students, recruitments and any research and development activity related to the above.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training, Project work and such other agreed training at College premises.
- College shall share the data base of the students with MEGAFINE for the adequate promotion of the training and or recruitments.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training, recruitment to be conducted at the company premises /plant or College premises.
- College and or the company shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. MEGAFINE's Standard of Performance:

MEGAFINE shall expend reasonable efforts as follows:

- MEGAFINE shall provide training, plant visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- MEGAFINE shall provide experts for the conduct of training at the Plant and or at the College premises.
- MEGAFINE shall provide College /students with the study material as agreed between the parties and the College shall use these as per MEGAFINE's guidelines and policies.
- MEGAFINE shall provide certificates/ completion letter to all students who have successfully completed the training, projects conducted at MEGAFINE or at the College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.

or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MoU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- Any and all disputes or differences between MEGAFINE and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.

- **Copyrights and Ownerships:**

- All the course material/ courseware/ books and such other training material provided by MEGAFINE and allowed for distribution are its sole property (hereinafter referred as "Training Material").
- College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with MEGAFINE.
- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between MEGAFINE and College. MEGAFINE and College are not authorized to make any representation, contract, or commitment on behalf of College / MEGAFINE without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- MEGAFINE & College will design programs on mutual understanding and decide fees if any to be charged to the students.

The training, field visit shall be conducted at the MEGAFINE facility in a time bound manner as per availability and schedule at MEGAFINE.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 19th August 2016.

Between

Advanced Enzyme Technologies Ltd.., a firm based at Nashik and having its registered office at Maharashtra, India (hereinafter called "**Advanced Enzyme**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "**College**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(**Advanced Enzyme Technologies Ltd.** and College are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration

This MOU shall be valid for two (2) year/s from 19th Aug 2016 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein Advanced Enzyme would be

- Providing Technology and skill based training to the students of College in order to enhance the quality of the educational experience of the students.
- Allowing students for industry visits
- Allowing students for performing and or taking up projects as per the interests of the company
- Employment for fresher students as interns, apprentices etc.
- Allowing students to do Research and Development as per the terms and conditions of the company
- Taking CSR activities in mutual consultation and agreements.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training and such other agreed training at College premise.
- College shall share the data base of the students with Advanced Enzyme for the adequate promotion of the courses and or recruitments.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training to be conducted at College premises and for employment purpose.
- College shall collect fees from the students for all the courses conducted at its premises and share the enrollment list along with fee payment details to the company if any and decided mutually.
- College shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. Advanced Enzyme Standard of Performance:

Advanced Enzyme shall expend reasonable efforts as follows:

- Advanced Enzyme shall provide permission for plant field visits for the students and faculties, training in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- Advanced Enzyme shall provide competent faculties, experts for the conduct of training, seminars, lectures at College premises as agreed and as per availability
- Advanced Enzyme shall provide College with the study material / notes as agreed between the parties and the College shall use these as per Advanced Enzyme guidelines and policies.
- Advanced Enzyme agrees to complete the training, visits with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- Advanced Enzyme shall provide certificates to all students who have successfully completed the training, projects in the company or college premises as per the company's policies.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between Advanced Enzyme and College. Advanced Enzyme and College are not authorized to make any representation, contract, or commitment on behalf of College / Advanced Enzyme without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

Course / Modules for training can be designed on mutual agreements as per the requirements and can be conducted at Company or College premises. The fees for the same can be approved by mutual discussions.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. 4	Sessions on AFCAT, COCUBES, E-LITMUS & Resume Writing	10 hours	
5	GD/PI Practice	10 hours	
Total hours - 80			

Apart from the above, we shall also be conducting 4 Class tests. 15 Comprehensive test papers of companies like TCS, Infosys, and Accenture etc. would be given to the students for practice. These mock tests can be either paper based or online based on your requirement.

- College will release 100% of the payment within 7 days of completion of the batch or in two installments.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- College will take the feedback from students about the quality of training of first batch, based on which college will take decision of continuing the training.
- **Arbitration:**
 - Any and all disputes or differences between Career Launcher and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.
- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.
- **Copyrights and Ownerships:**
 - All the course material/ courseware/ books and such other training material provided by Career Launcher and allowed for distribution are its sole property (hereinafter referred as "Training Material").
 - College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
 - Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with Career Launcher.
 - Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 07th October 2016.

Between

Center for Advanced Technologies, a company registered under the Proprietor Firm and having its office at Shivram Sankul, Kaneherewadi, Near Gaikwad Classes, CBS, Nashik- 422002, Maharashtra, India (hereinafter called "**CATIndia**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "**College**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(CATIndia and College are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration

This MOU shall be valid for three (3) year/s from 07th October 2016 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein CATIndia would be providing Electronics and Telecommunication, Mechanical and Electrical Engineering related Technology training to the students, Faculty of the College in order to enhance the quality of the educational experience of the students, Faculty, exchange of experts for seminars, workshops, Projects for the students, On-job training to students and any research and development activity related to the above.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training and such other agreed training at College premises or at the company premises /plant.
- College shall share the data base of the students with CATIndia for the adequate promotion of the courses.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training to be conducted at the company premises /plant or College premises.
- College shall collect fees from the students for all the courses conducted at its premises and share the enrollment list along with fee payment details to CAT India. If the Training is to be conducted at CAT India premises the Fees shall be paid by Students directly to the Company as per the rules of the company.
- College and or the company shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. CAT India's Standard of Performance:

CAT India shall expend reasonable efforts as follows:

- CAT India shall provide training in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- CAT India shall provide competent faculties for the conduct of training at the Plant and or at the College premises.
- CAT India shall provide College /students with the study material / standard books as agreed between the parties and the College shall use these as per CAT India's guidelines and policies.
- CAT India agrees to complete the Course with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- CAT India shall provide certification to all students who have successfully completed the training conducted at CAT India or at the College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between CAT India and College. CAT India and College are not authorized to make any representation, contract, or commitment on behalf of College / CAT India without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercials:

- CAT India & College have mutually agreed for the below training programs and mutually add programs as required

Sr. No.	Training Module	Fees Per Student	Duration
1	PLC & SCADA Workshop	Rs.650/-	2 Days
2	PLC & SCADA Workshop	Rs.750/-	3 Days
3	Certified Professional PLC Programmer.	Rs.17500/-	3 Months
	Students Registration, Exam & Study Material Fees	Rs.2000/-	
	Total	Rs.19500/-	

Programs may be designed mutually as per requirements and agreement by both the parties.

* Course Fees may change as per CAT India policy from time to time.
The training shall be conducted at the CAT India facility in a time bound manner as per availability of batches and schedule at CAT India.

8. Financial terms and mode of payment, if any

CATIndia, Nashik will provide LCD Projector against sharing of Fees to Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik . After a certain number's of admissions there should be at least 20 admissions for the course or 200 admissions for 2 days workshop (2)

9. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- Any and all disputes or differences between CAT India and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.
- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.

10. Copyrights and Ownerships:

- All the course material/ courseware/ books and such other training material provided by CATIndia and allowed for distribution are its sole property (hereinafter referred as "Training Material").
- College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with CAT India.
- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

MEMORANDUM OF UNDERSTANDING BETWEEN

AND

SVIT

MEMORANDUM OF UNDERSTANDING

The MOU is between **Opulent Infotech**, headquartered at 4th Floor, Sonawane Complex, Balaji Nagar, Satara Road, Pune – 43 and **Sir Visvesvaraya Institute of Technology** located at Chincholi, Nashik.

The above stated collaboration has a 5 year goal of grooming the students of the college to match global standards in terms of technological research, innovation, patents formulation, entrepreneurship and job opportunities. Together we aim to motivate and groom our students to drive our mission of enriching India through innovation.

OBJECTIVES OF THE MOU:

1. Bridge the gap between industry and academics by training students in industrial approach and technologies.
2. Train and motivate students to learn to ideate and implement their own ideas that solve social and industrial problems.
3. Bringing holistic thinking in students. (Not just "how to make", but "what to make, why is it better than existing alternatives").
4. Train students in entrepreneurship through college EDC and Opulent's Incubation center. We aim to do initial mentorship and funding the best teams and ideas.
5. Enable students to participate and bag laurels at National and International level Conferences/Seminars/Contests.
6. Increase employability by developing technical, attitudinal and soft skills in the students.
7. Recruiting best technical students from the college (not based on academic criteria).
8. Conducting workshops in the latest technologies like Augmented Reality, Virtual Reality, Internet of Things, 3D printing, etc by industry experts.
9. Encourage cross-functional learning by facilitating multi-disciplinary projects.
10. Establish connect with every student in the college and have a constant conversation with them to motivate them to become best engineers possible. We plan to interact with students through weekly emailers, videos, articles, online forums, etc.
11. Forming international communities of engineering students based on their subjects of interest.
12. Top students to be given a chance to visit and get mentored by premier institutes like IIT-Bombay.
13. Technical Guidance for Lab Developments & Setups.
14. Facilitate joint-research using company's and college premises.
15. Provide research projects to teaching faculties to enhance quality of education.
16. Collaborating to make "Opulent Infotech", the ambitious international technical festival a grand success.

TERMS AND CONDITIONS:

1. RELATIONSHIP :

- 1.1 MOU is the collaboration between two parties for mutual benefit and to enrich India through innovation.
- 1.2 There is no financial obligation on either party to get under the agreement.
- 1.3 MOU stands valid for five years from the date of agreement. The collaboration can be terminated from either side with a notice period of one month.
- 1.4 Both parties shall work in synchronism to ensure the successful completion of collaboration.
- 1.5 Both the parties shall provide adequate facilities to the students undergoing training with mutual understanding.
- 1.6 The income generated as the result of our collaboration shall be split as per mutual agreement.

2. OBLIGATION :

- 2.1 There shall be no obligation on any party to compensate the other in any manner or to make any claim.
- 2.2 Each party shall meet the expenses as mutually agreed.
- 2.3 Each party shall respect the others' intellectual property (IP).
- 2.4 Both parties shall maintain confidentiality about any information.

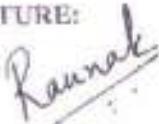

3. LIMITATION :

- 3.1 Each party represents that they have full power and authority to enter into this MOU.
- 3.2 Each party shall ensure to work together with maturity.

4. CONDITION :

- 4.1 Both parties will designate a representative who will be the primary point of contact.
- 4.2 Unless and until the parties agree there shall be no public announcement. Agreement has to be in the form of written approval.
- 4.3 Any dispute under this MOU will be settled at Pune through arbitration if necessary.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 14th April 2017.

Between

Padmashree Dr. Vitthalrao Vikhe Patil Sahakari Sakhar Karkhana Ltd., a company registered under the Companies Act, 1956 and having its plant at Pravaranagar-413712, Tal: Rahata Dist: Ahemednagar, Maharashtra, India (hereinafter called "Distillery & Chemical Plant" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "College" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(PRAVARA SUGAR, DISTILLERY & CHEMICAL PLANT and College are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

Terms and Conditions:

1. Duration

This MOU shall be valid for Three (3) years from 14th April 2017 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein DISTILLERY & CHEMICAL PLANT would be providing exposure to Distillery Process and Chemical Acetaldehyde and other product manufacturing process, maintenance, automation studies and applications for Chemical, Mechanical, Electrical Engineering related training at the plant and or at a training facility to the students, Faculty of the College in order to enhance the quality of the educational experience of the students and Faculty, exchange of experts for seminars, workshops, Projects for the students, field visits to the plant for faculty and students, On-job training, apprenticeship to students, recruitments and any research and development activity related to the above.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

1

EXECUTIVE DIRECTOR

Padmashri Dr. Vitthalrao Vikhe Patil
Sahakari Sakhar Karkhana, Ltd; Pravaranagar.

Principal

Sir Visvesvaraya Institute of Technology
Chincholi, Nasik-422102

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training, Project work and such other agreed training at College premises.
- College shall share the data base of the students with DISTILLERY & CHEMICAL PLANT for the adequate promotion of the training and or recruitments.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training, recruitment to be conducted at the company premises /plant or College premises.
- College and or the company shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

4. DISTILLERY & CHEMICAL PLANT's Standard of Performance:

DISTILLERY & CHEMICAL PLANT shall expend reasonable efforts as follows:

- DISTILLERY & CHEMICAL PLANT shall provide training, plant visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- DISTILLERY & CHEMICAL PLANT shall provide experts for the conduct of training at the Plant and or at the College premises.
- DISTILLERY & CHEMICAL PLANT shall provide College /students with the study material as agreed between the parties and the College shall use these as per DISTILLERY & CHEMICAL PLANT's guidelines and policies.
- DISTILLERY & CHEMICAL PLANT shall provide certificates/ completion letter to all students who have successfully completed the training, projects conducted at DISTILLERY & CHEMICAL PLANT or at the College premises.

5. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between DISTILLERY & CHEMICAL PLANT and College. DISTILLERY & CHEMICAL PLANT and College are not authorized to make any representation, contract, or commitment on behalf of College / DISTILLERY & CHEMICAL PLANT without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 28th Feb 2017.

Between

Shivananda Electronics, a company registered under the Companies Act, 1956 and having its plant at 226, Deepak Mahal, Deolali Camp, Lam Road, Nashik, 422401, Maharashtra, India (hereinafter called "**Shivananda**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

And

Pravara Rural Education Society's Sir Visvesvaraya Institute of Technology, Chincholi Dist. Nashik (hereinafter called as "**College**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(SHIVANANDA and College are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration

This MOU shall be valid for two (2) years from 28th Feb 2017 and thereafter it may be renewed on mutually agreed terms.

1. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein SHIVANANDA would be providing Electronics and Telecommunication Engineering related training at the plant and or at a training facility to the students, Faculty of the College in order to enhance the quality of the educational experience of the students and Faculty, exchange of experts for seminars, workshops, Projects for the students, field visits to the plant for faculty and students, On-job training to students, recruitments and any research and development activity related to the above.

2. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training, Project work and such other agreed training at College premises.
- College shall share the data base of the students with SHIVANANDA for the adequate promotion of the training and or recruitments.
- College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training, recruitment to be conducted at the company premises /plant or College premises.
- College and or the company shall extend all such necessary co-operation for smooth conduct of above mentioned activities and training.

3. SHIVANANDA 's Standard of Performance:

SHIVANANDA shall expend reasonable efforts as follows:

- SHIVANANDA shall provide training, plant visit permissions in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- SHIVANANDA shall provide experts for the conduct of training at the Plant and or at the College premises.

- SHIVANANDA shall provide College /students with the study material as agreed between the parties and the College shall use these as per SHIVANANDA 's guidelines and policies.
- SHIVANANDA shall provide certificates/ completion letter to all students who have successfully completed the training, projects conducted at SHIVANANDA or at the College premises.

4. Mutual Obligations:

- Both the parties shall appoint one person as one point of contact for smooth execution of the MOU.
- This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
- Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between SHIVANANDA and College. SHIVANANDA and College are not authorized to make any representation, contract, or commitment on behalf of College / SHIVANANDA without the prior written consent of other party.
- The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

5. Limitation and Warranties:

- Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- Each party represents that they have full power and authority to enter into this MOU in general.

6. Commercials:

- SHIVANANDA & College will design programs on mutual understanding and decide fees if any to be charged to the students.

The training, field visit shall be conducted at the SHIVANANDA facility in a time bound manner as per availability and schedule at SHIVANANDA .

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.
- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

- MICROVISION & College can design training programs, events on mutual understanding and decide fees if any to be charged to the students.

The training, field visit shall be conducted at the MICROVISION facility in a time bound manner as per availability and schedule at MICROVISION .

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- Any and all disputes or differences between MICROVISION and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

- **Indemnification :**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.

- **Copyrights and Ownerships:**

- All the course material/ courseware/ books and such other training material provided by MICROVISION and allowed for distribution are its sole property (hereinafter referred as "Training Material").
- College and/ or its employees, consultants etc. shall not claim ownership of such course material/ courseware/ books etc. or its customization.
- Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training Material, any changes, enhancements, upgrades, customization etc. shall always remain with MICROVISION .
- Any changes in implementation procedures which are not as per the present MoU will be discussed and will be incorporated in agreement with two parties.

In witness whereof, both parties put their hard seal on the day, month and year herein mentioned.

IN WITNESS WHEREOF, to show their assent, the duly authorized representative of the parties hereto have signed the Agreement and set their seals as below:-

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is made on this 16th day of March, 2015 BY AND BETWEEN

ZENSAR TECHNOLOGIES LIMITED, a company incorporated under the provisions of the Companies Act, 1956, having its registered office at Zensar Knowledge park, Plot # 4, MIDC, Kharadi, Off Nagar Road, Pune – 411014 (hereinafter referred to as "**Zensar**" which expression shall mean and include unless repugnant to the context or meaning thereof, its successors and permitted assigns) of the One Part

AND

Sir Visvesvaraya Institute of Technology an entity incorporated/registered under the provisions of the '**Registration details**', having its registered office at 'A/P: Chincholi Tal:Sinner Dist: Nashik' (hereinafter referred to as "**SVIT**" which expression shall mean and include unless repugnant to the context or meaning thereof, its successors and permitted assigns) of the Other Part.

Zensar and **SVIT** are hereafter referred to individually as "Party" and collectively as "Parties".

1. PREAMBLE

WHEREAS **Zensar** is engaged in providing software solution and IT services globally.

WHEREAS **SVIT** is a leading educational institute affiliated to and approved by AICTE , India, offering courses in Engineering/Graduation.

WHEREAS Zensar as a part of its Corporate Social Responsibilities (CSR) activities desires to collaborate with **SVIT** for promoting special education and employment enhancing vocation skills (hereinafter referred to as "Programme")among children undergoing under graduation courses in engineering or any other discipline so as to attain them a level as expected by IT industry for job functioning.

WHEREAS **SVIT** has shown readiness to collaborate with Zensar for promoting the Programme and to provide all required infrastructure and its faculties as well for running and conduct of the Programme.

NOW THEREFORE in consideration of the foregoing and the mutual covenants and promises contained herein and other good and valuable consideration the receipt and adequacy of which is hereby acknowledged, the Parties intending to be bound legally and agree as follows:

(Signature)

1. It is agreed between the parties that Zensar and **SVIT** shall work together on non-exclusive basis for the Programme mentioned hereof.
2. Role and responsibilities of each party will be as under:

Role and Responsibilities of Zensar:

- A. Deciding criteria for selection of the students for undergoing the Programme in consultation with **SVIT**
- B. Deciding the strength of students in one batch of the Programme.
- C. Informing duration of the Programme with start and end date to **SVIT**
Providing courseware to the students.
- D. Arrange faculties to impart Technical as well as soft skill training to the students.
- E. To train the students so as to give them exposure on core software skills and thereby improve their basic concepts through real-time case studies and assignments in technologies viz Java, .NET, SQL, Testing, IM etc.
- F. Impart training to the students through mix of virtual and physical classroom setup as per the program design.
- G. Conduct periodic evaluations at various phases of the program as decided by Zensar and providing feedback to the participating student of **SVIT**
- H. Issue certificates to each participating student on successful completion of the Programme.
- I. To provide a Single Point of Contact for mentoring and conducting the Programme.
- J. To provide one time training to a group of selected faculty members from **SVIT** for conduct of the Programme and to guide the students during the tenure of the program.

Role and Responsibilities of **SVIT**:

- A. Allow students of **SVIT** and other colleges as agreed with **ZENSAR** to attend the Programme.
 - B. To organize events/competition as suggested by Zensar for successful conduct of the Programme.
 - C. To render all required support to Zensar in respect of the students to undergo the Programme.
 - D. To arrange and provide infrastructural facilities as enumerated in Annexure "A".
 - E. To nominate primary and secondary faculties from the institute who would dedicate pre-decided hours towards mentoring, reviews and feedback sessions with students and Zensar
-
3. This program is intended to give students the opportunity to work in an industry-like environment under the guidance of experts during their final year of the academic tenure. No placements, internships or project support are promised by Zensar under

the said program other than the pre-agreed training for the students under the Programme. Zensar makes no commitment to offer employment to the participating students in the Programme or any placement help or to provide any additional support by way of trainings, project guidance or mentoring that the students may need to meet the Academic requirements apart from the agreed Training program

4. CONFIDENTIALITY

4.1 Each Party, and its officers, directors, employees, representatives, and agents shall hold in confidence all Confidential Information (as defined below) obtained from or received from the other Party in strict confidence and shall not disclose, disseminate, publish or otherwise provide, either orally or in writing, to any third party without a prior written consent of the other Party.

4.2 "**Confidential Information**": Both Parties agree to regard and preserve as confidential all Confidential Information provided by each to the other or which may be disclosed, received or granted access to by either Party or come to the knowledge of either Party in any manner in connection with the negotiations for the possible business relationship. Confidential Information shall also include all information and data relating to the purpose; which is obtained whether in writing, pictorially, in machine readable form, on disc, mail or orally (unless reduced into writing within 7 days of oral disclosure) in connection with the discussions (including but without limitation, financial information, know-how, processes, ideas, (whether patentable or not), schematics, trade secrets, technology, customer lists (potential or actual) and other customer-related information, supplier information, sales statistics, market intelligence, marketing, business working, operations, parent, subsidiaries, affiliates and other business strategies and other commercial information of a confidential nature and other technical financial and business information concerning a Party, or any such information of clients, customers, parents, affiliates, subsidiaries or agents of a Party, which is disclosed by such Party (**the "Disclosing Party"**), whether directly in oral or material form to the other Party (**the "Receiving Party"**). Further, Confidential Information of the Disclosing Party shall also include the analyses, business plans, compilations, data, studies or other documents prepared by the Receiving Party based on the information disclosed or derived therefrom. It shall not be necessary for the Disclosing Party to mark the information as "confidential" at the time of disclosing the same. The non-marking of the same shall not mean that the information ceases to be Confidential Information.

4.3 In maintaining the confidentiality of Confidential Information hereunder both Parties agree that they shall not, without first obtaining the written consent of the other, disclose or make available to any person (including all natural and legal persons {whether incorporated or not}), firm or enterprise, reproduce or transmit, or use (directly or indirectly) for its own benefit or the benefit of others, any Confidential Information save and except both Parties may disclose any Confidential Information to its Directors, officers, employees or advisors on a "need to know" basis to enable them to evaluate such "Confidential Information" in connection with the MOU.

4.4 Both Parties shall ensure that the said employee(s) and /or the said person(s) shall maintain confidentiality with regard to the disclosed Confidential Information, if any being disclosed to them, and shall issue suitable instructions and/or get suitable written undertakings or agreements executed to bind its employees and / or the said person(s) to the same obligations of confidence and safeguarding as the Parties hereto and to adhere to the confidentiality / non disclosure terms contained in this MOU. Provided that the execution of such an agreement shall not absolve the responsibility of the Receiving Party to confidentiality and in the event of any breach by the employees of their obligations of confidentiality, it shall always be construed to be a breach of the obligations of the Receiving Party under this MOU.

4.5 Save and except for the purposes mentioned in clause (a) above both Parties further agree that neither Party will part with/disclose any "Confidential Information" received by it to any other person directly or indirectly and such written material /documents will be retained under strict confidentiality by the receiving Party nor make copy(s) or reproduce in any way (including without limitation store in any computer or electronic system any written material/documents) such Confidential Information. Both Parties further agree that the Confidential Information which may pertain to or touch upon any regulatory aspects and /or dealings of either Party with any statutory /government/ related agencies / bodies, whether the said information is received verbally or in writing, will not be disclosed in any manner, either directly or indirectly, to any other persons. Both Parties further agree to use the same degree of care that it uses to protect its own Confidential Information of a like nature from unauthorized disclosure, but in no event less than a reasonable degree of care.

4.6 It is mutually acknowledged and agreed that information shall not be considered "Confidential Information" and the receiving Party shall have no confidentiality obligations under this MOU with regard to that information to the extent, that such information:

- a) at the time of disclosure was in the public domain; or
- b) is already known to the Receiving Party free of any confidentiality obligation at the time it is obtained from the Disclosing Party or a third Party on the Disclosing Party's behalf; or
- c) after disclosure is or becomes publicly known or available through no wrongful act of the Receiving Party; or
- d) rightfully received from a third party without restriction or
- e) is required to be disclosed pursuant to a requirement of a governmental agency or law so long as the Parties provide each other with timely prior written notice of such requirement; or
- f) the Disclosing Party has given its prior written approval to disclose; provided, however that any information consisting of a combination of non-confidential information and Confidential Information will only be considered by the Receiving

(Signature)

Party as non-confidential information if the combination itself is in the public domain or the prior possession of the Receiving Party, or is received by the Receiving Party without obligation of confidence, is independently developed, or is approved for disclosure as described above; or

- g) has been disclosed in written graphic or other tangible form unless clearly designated in writing as "confidential". Provided that the burden of proving the existence of any such exceptions shall always be on the Party claiming the same.

4.7 Both Parties further agree and undertake not to disclose the Confidential Information of the other to their agents or contractors without prior written approval from the other and without having first obtained from each agent or contractor a separate written agreement or undertaking binding them to the same obligations of confidence and safeguarding. Further in the event of a business relationship being agreed to, whether a contractor or agent can be appointed at all would be dependent on the terms and conditions governing the business relationship Both Parties further agree to Indemnify and keep indemnified each other against all actual loss and damage which the Disclosing Party may suffer as a result of any breach of this MOU by the Receiving Party.

4.8 Both Parties further agree that upon termination/expiry of the MOU or at any time during its currency, at the request of the Disclosing Party, the Receiving Party shall promptly deliver to the Disclosing Party all copies of the Confidential Information in its possession or under its direct or indirect control, and shall destroy all memoranda, notes and other writings prepared by the Receiving Party or its Directors, officers, employees or advisors based on the Confidential Information, provided that the obligations of this Clause 5 shall always survive the completion/termination/expiry of this MOU. Notwithstanding the expiration or early termination of this MOU, the obligations of confidentiality set forth in this MOU will survive such expiration or earlier termination for a period of three (3) years, and will be binding on agents, successors and assigns of the other Party including its past and/or present employees to whom the Confidential Information was disclosed in terms of this MOU.

5. INTELLECTUAL PROPERTY

5.1 Any intellectual property rights owned by the Parties before the date of this MOU and during the term of this MOU will remain the property of that respective Party. Nothing contained in this MOU will affect the absolute ownership rights of any Party in such Party's intellectual property rights. For the avoidance of doubt, no licenses are granted under this MOU.

5.2 In the event that either Party wished to use name and/or logo of the other Party for any purposes, including without limitation for the objectives of this MOU or any other purposes, such Party shall obtain written consent of the other Party in advance of such use.

5.3 Each of the Parties shall not publish any marketing material relating to this MOU without the prior written consent of the other Party and undertake that the wording for

any marketing materials shall be jointly agreed in writing between the Parties prior to its use.

6. WARRANTIES

Each Party warrants and undertakes to the other Party that

- a) it has the right to enter into this MOU and perform its Role and Responsibilities in this MOU;
- b) it shall comply with all applicable laws and regulations in the performance of its obligations in this MOU;
- c) it has all necessary rights, authorizations, or licenses to perform its obligations under this MOU;

7. TERM AND TERMINATION

This MOU comes into force from the day of signing by the last Party. The term of this MOU is three (3) years from the last Party signing hereof. This MOU will terminate if either Party defaults in performance of its obligations and responsibilities stated herein above. Either Party may terminate this MOU by giving thirty (90) days prior written notice to the other Party.

8. LIMITATION OF LIABILITY

Neither Party shall be liable for any special, indirect, incidental, punitive, contingent nor consequential loss or damages suffered out of or in connection with the aforesaid MOU whether as a result of a breach of this MOU or otherwise and whether such liability arises from any claim based upon contract, warranty, tort, product liability or otherwise, and whether or not the Parties have been advised of the possibility of such loss or damage, except in case where such loss or damage has been the result of gross negligence, fraudulent and/or willful acts of the Parties.

9. DISPUTE RESOLUTION

9.1 Informal Dispute Resolution: The Parties recognize that a bona fide dispute as to certain matters may from time to time arise during the term of this MOU, which relates to either Party's rights or obligations hereunder. In the event of the occurrence of such dispute, either Party may, by written notice to the other Party, have such dispute referred jointly to the authorized officer of the Parties, or their successors or counterparts, for resolution by good faith negotiations within 30 days after such notice is received in respect of such dispute.

9.2 Arbitration: If the Parties are unable to reach agreement with respect to such referred dispute pursuant to Clause above, then such dispute shall be resolved as described in Clause below.

9.3 If any disputes, controversies or differences arise between the Parties hereto out of, or in relation to or in connection with this MOU, or for any breach thereof, the same shall be if possible settled amicably and promptly by mutual consent of the Parties. If such disputes, controversies or differences cannot be settled between the Parties, they shall be finally settled by arbitration in accordance with the arbitration laws and rules prevailing in India. The award rendered by the arbitrator(s) shall be final and binding upon all the Parties. Any such arbitration proceeding shall be held in Pune. This MOU shall be subjected to the exclusive territorial jurisdiction of Pune courts.

10. GENERAL

- 10.1 Third Party Right: No person who is not a party to this MOU shall have any right to enforce any terms of this MOU.
- 10.2 Notice: Notices and other communications required or permitted pursuant to this MOU, shall be in writing and shall be delivered personally, or by prepaid registered mail, or sent by confirmed facsimile transmission to the other Party, or by use of professional overnight courier service, at the addresses set forth above.
- 10.3 Amendment: This MOU contain the entire agreement and understanding between the Parties. No amendments or modifications to this MOU shall be effective unless made in writing and signed by authorized representatives of the Parties.
- 10.4 Severability: If any provision of this MOU (or any portion thereof) is determined to be invalid or unenforceable the remaining provisions of this MOU shall not be affected thereby and shall be binding upon the Parties and shall be enforceable as though said invalid or unenforceable provision (or portion thereof) were not contained in this MOU.
- 10.5 No Waiver: The failure by either Party to insist upon strict performance of any of the provisions contained in this MOU shall in no way constitute a waiver of its rights as set forth in this MOU, at law or in equity, or a waiver of any other provisions or subsequent default by the other Party in the performance of or compliance with any of the terms and conditions set forth in this MOU.
- 10.6 Assignment: This MOU shall be binding upon and inure to the benefit of the Parties hereto and their successors and assigns. The MOU shall not be assigned by either Party without the prior written consent of the other Party.
- 10.7 This MOU including the exhibits annexed hereto supersede all prior agreements, representations and understandings, written or oral, between the Parties and constitute the complete agreement and understanding between the Parties unless modified in writing, signed by both Parties.
- 10.8 The headings of this MOU are intended solely for convenience of reference and shall be given no effect in the interpretation or construction of this MOU.
- 10.9 This MOU is governed by Indian law. The Parties hereby submit to the exclusive jurisdiction of the Pune courts.

IN WITNESS WHEREOF, the Parties hereto, each acting under due and proper authority, have executed this MOU as of the date written above

ANNEXURE "A"

Infrastructure Requirements:

Guidelines for the 30 seat IT Employability Skills Development Centre

Physical Space: At the rate of 80 sq ft per individual, the space required for 30 students would be 2400 sq ft inclusive of common areas and faculty cubicles.

Connectivity/Bandwidth: Zensar suggests min. 1Mbps dedicated bandwidth for all 30 users.

Telephone and Networking arrangements: One small EPABX – which can be connected to Primary Rate Interface (PRI) with Direct Inward Dialing (DID) facility which would provide 24 extensions, (24 instruments + wiring) . Speaker Phone with outgoing call facility need to be installed.

Hardware Specification: The computers must meet a minimum hardware specification, which is described below: **(30 M/c) with the given configuration, along with Webcam, Headphones and speakers.**

- CPU: Intel PIV or equivalent 2.8+ Ghz
- Memory: 8 GB RAM
- HDD: 40 GB
- Network: 10/100 Mbps connected to the Internet
- Monitor: 15 inches
- Keyboard and Mouse

Each computer must be networked and connected to the Internet via a firewall or a proxy server.

In addition to the 30 M/c, one Server would be required (one with Windows Operating System or with Linux). The configuration is as follows:

- CPU: Intel PIV or equivalent 2.8+ Ghz.
- Memory: 8 GB RAM
- HDD: 80 GB
- Network: 10/100 Mbps connected to The college backbone
- Monitor: 15 inches
- Keyboard and Mouse
- Backup Device (DVD ReWriter)

Software requirements: This model would support both Linux and Windows Operating Systems and would use web-based connectivity using the industry recognized Internet browsers. The basic software requirement is mentioned below:

- Windows 7/8

- Windows Server 2010
- .Net Development Environment
- J2EE Development Environment
- Office Productivity Suite (MS Office, Star Office, Open Office etc.)
- Antivirus (McAfee, Norton Antivirus etc.)
- Compression Utility (Winzip, Winrar etc.)
- Adobe Acrobat Reader 9.0
- Internet Browser (Internet Explorer 6.0, FireFox etc.)

UPS Specification: as appropriate for the H/W infrastructure.

Air Conditioner specification: as appropriate for the facility utilized.

Furniture & Fittings: Work stations with side cupboards, projection arrangement (screen + stand), white board, lighting etc.

Power and Back-up: as appropriate for lighting, air conditioning and UPS

Network Security: It would be in the common interest of **SVIT** and **Zensar** to protect their computers and authors' work against unauthorized access.

To achieve at least minimum level of network security, Zensar recommends the following components:

- Appliance based firewall (Cisco PIX etc.)
- Internet Proxy Server (Squid, Microsoft ISA Server)
- Antivirus

Other facilities required: Server Placements: The servers and network equipments to be placed in secured enclosure prevent unauthorized access.

Proxy/ Firewall: A firewall must be placed between the internet and the **SVIT** LAN to allow only legitimate traffic into the **SVIT**. An appliance based firewall is recommended but **SVIT** may also opt for software based firewalls, if the number of computers is less.

In case of a large number of users accessing the internet, a proxy server should be used to increase internet performance by caching and also putting in controls required to access the internet.

Printer: Institutions should install at least one printer per batch of 30 students. A network laser printer is most suitable for large networks.

Projector + Screen: A portable LCD projector may be required by the students to discuss and conduct presentations. It should preferably be placed in a discussion room.

Video Conference facility: College/Institute shall provide access to VC facility to the students for planned VC sessions.
