**INVITATION AS AN EXPERT**

To,

**Mr. Amol Raundal,**

Managing Director,

A-1 Environment Health Safety Experts & Consultant, Nashik

**Sub:** Request for invitation as an expert for One day seminar on "IPR (Intellectual Property Rights)" conducted at our Institute on 3-10-2017.

Dear Sir,

With reference to the above mentioned subject, we take this opportunity to invite you as an expert for One day seminar on "IPR (Intellectual Property Rights)" which will be conducted at our Institute on 3-10-2017.

The seminar shall be organized with a view to create awareness about Intellectual Property Rights (IPR) amongst the students and faculty..

We hope that you will spare your valuable time guide our students and faculty.

Thanking You

Regards

Yours faithfully,

Sir,

With due regards, we wish to thanks for delivered the Seminar on topic '*Effective Communication Skill*' organized on 27th Jan. 2018 at our Chemical Engineering Department. I am on the behalf of management, Principal staff members, students and all participants of Sir Visvesvaraya Institute of Technology Chincholi, Nashik, very much thankful for your valuable guidance and in depth of knowledge in the subject. Students are enjoyed lot in your session.

We hope you will help us in your endeavor to generate highly expertise in our chemical Engineering Department.

With best wishes and high regards.

## Invitation for Seminar on GATE Induction Program

sunil ghule <gateawaypune@gmail.com>  
 To: Mahendra Guddad <mahendra.guddad@pravara.in>

Mon, Jan 8, 2018 at 4:25 PM

Dear sir,

Greetings from GATEWAY INSTITUTE, PUNE

Sure Sir, we will be in your campus on 12th Jan 2018

Sir, since GATE 2018 examination is scheduled on first week of February, we are organizing An induction program for third and final year chemical engineering students on the topic GATE 2018. This is a free course which includes the following

1. Importance of GATE for chemical engineers
2. Chemical engineering subject wise mark allotment discussion
3. Demo test and solution discussion
4. Effective use of virtual calculator for GATE
5. Important topic and books discussion
6. Prize distribution based on demo test.

Thank you

Regards  
 Gateway Institute pune

Pravara Rural Education Society (PRES) which was founded by Late Padmashri Dr. Vithalrao Vikhe Patil, a great visionary and founder father of first cooperative sugar factory in Asia. Late Padmabhushan Dr. Balasaheb Vikhe Patil, an outstanding leader of Maharashtra & a member of Parliament for over three decades, embarked upon arduous task of translating the dream of Padmashri into concrete reality by meticulous planning. PRES is blessed by the dynamic and programmatic leadership of our chairman Hon'ble Shri. Nandar Radhakrishna Vikhe Patil, Leader of Opposition, Legislative Assembly, Maharashtra. PRES is one of the leading educational group in India. The society runs various institutes imparting education from KG to PhD. courses. The Society has received Award for Educational Excellence in 9<sup>th</sup> Indo-American Education Summit-2016 & 17.

### About Institute

Sir Visvesvaraya Institute of Technology was established in 1998 under the aegis of 'Pravara Rural Education Society' (PRES). The Institute is one of the premier institutes in Nashik region. At present the institute offers six UG and Four PG courses. The infrastructure, Ultramodern laboratories. Team of highly qualified experienced staff are the foremost feature of the institute. The institute is proud to have more than 5,000 alumni working as our Brand Ambassadors all over the world.

### About the Department

Department of Chemical Engineering was established in 1998. The department has well equipped U.G. laboratories for effective teaching and learning process. The department has a team of young, dynamic & qualified faculty who strive for excellence. Department conducts annual program like Chemcoalesce Paper/Project competition at state level. The department has received various grants from AICTE under the scheme of MODROBS. We also have received various BCUD grants under QIP & RPS. Department runs many industry oriented value addition programs and has MOU with reputed industries.

## About the Workshop

Process simulation is a discipline transversal to all the areas of chemical engineering. Process simulation can be used to effectively design a new process, i.e., to determine the size of equipment in a chemical plant, the amount of energy needed, the overall yield, the magnitude of waste streams generated and the profitability analysis. Process simulators are able to evaluate the operating conditions (flow rates, temperatures, compositions, etc.). Process simulators can perform sensitivity analysis and optimization. Process simulators typically work in steady state conditions, but many can also perform dynamic simulations.

### Why Should I attend?

- Understand the computational foundations of process simulators.
- Learn how to use process simulators effectively to build, simulate and optimize complex processes.

### Who can Participate?

This program is open to the Faculty, UG, PG and Research students of Chemical Engineering from various Institutes. Practicing Engineers from industries can also participate.

### How to Reach SVIT

Address: A/p: Chincholi, Tal: Sinnar, Dist: Nashik, Maharashtra, India- 422102. Phone: +912551 271278, 9423787452

Email:principalsvivipravara@gmail.com

## Registration Charges

- Student / Research Scholar : Rs. 200
  - Person from Academia / Industry : Rs. 300
- The payment can be made by cash payment at the time of registration.

Important Dates
Last date for Application : 31/01/2018
Confirmation of Admission : 05/02/2018

### Program Schedule

Timing	Schedule
9:00 a.m. to 10:00 a.m.	Registration & Breakfast
10:00 a.m. to 11:00 a.m.	Inauguration
11:00 a.m. to 01:00 p.m.	Plenary Lecture 1
01:00 p.m. to 02:00 p.m.	Lunch
02:00 p.m. to 04:00 p.m.	Plenary Lecture 2
04:00 p.m. to 06:00 p.m.	Plenary Lecture 3
<b>10 Feb. 2018</b>	
10:00 a.m. to 12:00 a.m.	Plenary Lecture 1
12:00 p.m. to 2:00 p.m.	Plenary Lecture 2
2:00 p.m. to 03:00 p.m.	Lunch
03:00 p.m. to 05:00 p.m.	Plenary Lecture 3
05:00 p.m. to 05:30 p.m.	Valuedictory

Sub: Regarding Expert/Guest Lecture.

Respected sir,

I am professor of Sir Visvesvaraya Institute Of Technology, Nashik from Chemical Engineering Department; take this opportunity to invite you to the Chemical Engineering Department. I invites person of immense like you to deliver expert/guest lecture.

The following some topic:

1. Entering the start-up era: Risks and Benefits
2. Staying ahead of your competitors
3. Innovation: The Key to Success for every Business
4. Customer Relationship Management: Meeting the final edge of customer satisfaction

Your expertise and knowledge in the area would add a great value to the business sense of one and all, especially the budding entrepreneurs of the country who require the guidance and path-breaking ideas to lead their way through the tough completion in the Global market on this day.

In This Regard, I request you to kindly spare your valuable time on 12 Aug.2017 or your convenient date in the month of Aug. 2017. I am sure you will convey your acceptance along with the topic and date of lecture. An early reply by email will be highly appreciated.

Thanking you,

  
Head Of The Department

Department Of Chemical Engineering.

to me

Dear Sir,

Thanks for the interest shown in two day's workshop on "Piping Design" at Visvesvaraya Institute Of Technology , Nashik.

The details are as follows :

1. No of days: 02 days per division
2. No. of Divisions : 1
3. Remuneration per Day : Rs. 18000/- + Additional GST @ 18%.
4. For institutes located out side Pune , travelling expenses will be

Tentative schedule From 20th Sept 2017 onwards to 25th Sept 2017

Please find attached details of Workshop .

Respected Madam,

With reference to the above-cited subject and as per academic calendar at the second year of Chemical Engineering students under Audit course, So, I have to organize the expert talk to develop skills of the engineering students.

So, I am requesting you to please consider this is a formal invitation for the same.

I hope you will accept the same.

Venue: Department of Chemical Engineering, SVIT Chincholi, Sinnar, Nashik (15 Km from Nashik Raod).

Date: 06/10/2017,

Waiting for your kind reply.

Thanking you,

With warm wishes,

Sub: Regarding Invitation for Expert lecture.

Dear Satish Palde,

With due regards, as per our telephonic discussion, we are pleased to invite you to deliver expert lecture on "**Workload In Process Industries**" Dated on 31<sup>st</sup> Aug. 2017 at 10:30 am.

On behalf of the Department of Chemical Engineering, SVIT, we look forward to the prospect of you speaking to our chemical Engineering students.

Yours sincerely,

Prof. Mahendra Guddad  
Associate Professor,  
Department of Chemical Engineering,  
SVIT, Chincholi, Nashik-422102 (MS), India.

Sub: Regarding permission for seminar Expenditure of **Shri Chandu Babu**, Officer HRD, RCF Ltd. Chembur.

Respected sir,

We would like to arrange expert lecture on "*Recent Trends in Heat transfer*" and "*Advances in Urea Production Process*" by **Shri Chandu Babu**, Officer HRD, RCF Ltd. Chembur, on 5<sup>th</sup> Oct. 2016 for Chemical Engineering students. This would be beneficial to our students and as well as faculty of Chemical Engineering. The expenditure is as follows.

Sr. No.	Details	Amount in Rs.
1	Honorarium	3000/-
2	TA/ DA	2000/-
Total		5000/-

Kindly request you to sanction Rs. 5000-00 (Five thousand only) for the same.

Subject: Regarding invitation for expert talk on "Correlating heat, mass & momentum Transfer" expert lecture on 28th July 2016

Dear Sir,

We take immense pleasure in introducing ourselves as a speedily developing technical institute imparting Chemical Engineering education to the students in Nashik. We are managed by the prestigious and renowned Pravara Rural Education Society, Loni.

As a part of the academic curriculum, the Chemical Engineering students require the access of the profound and recent literature exposure and expertise to enhance their knowledge, which in turn will help them in successful completion of their undergraduate course. Along with their sound academic knowledge they also need to be exposed to the practical aspects of chemical engineering through the communication with the expertise from the industry and academia.

We would hereby request you for giving your valuable time for delivering the 02 hrs expert lectures on the "Correlating heat, mass & momentum Transfer" on 28th July 2016 at Chemical Engineering department.

So, we hope you will accept our invitation and give your kind co-operation to generate highly expertise human resource.

Thanking you,

With warm wishes & regards,

Sub: Regarding Expert/Guest Lecture.

Respected sir,

On behalf of Sir Visvesvaraya Institute Of Technology, I am very pleased to have the honor of inviting you to deliver lectures at our college as "Piping design" Guest Lecture Program. We have arranged the lectures for 23 March.2017 at 10:00 a.m. and 5:00 p.m.

I appreciate you being the best Student Counsellor in Pune; and will feel honored by your gracious presence at our organization. Not only the students, even our teaching faculty look forward to learn a lot many things to guide our students and shape their career. I understand students are clay in hands of our sculptures alias teachers. We have the key responsibility to observe their field of excellence and mould them accordingly to give them a cherishing life ahead.

I want you to help our passing out students with the available career options, their importance, and the relevance of specific fields in industry and placement opportunity in every field. Our students might be having a plenty of questions to opt for a career path. Many a times, students are constrained to specific fields like engineering or pharmaceutical, just due to their mere negligence of the upcoming fields and their importance in job market. This lecture of yours could provide them a wide range of opportunities and a clear picture of the actual place of the field in real world.

In This Regard, I request you to kindly spare your valuable time to on this day and share your knowledge. Please reply as soon as you are possible.

Thanking you,

**Subject: Invitation for Two day Workshop on "Software Testing" on 16/3/2017 & 17/3/2017.**

Respected Sir ,

Our Institute Sir Visvesvaraya Institute of Technology, Chincholi, Nashik was established in 1998-99, by the prestigious and renowned Pravara Rural Education Society, Loni. The institute presently offers four year degree courses leading to Bachelor of Engineering in Chemical, Computer, IT, Mechanical, E&TC, Electrical. Also Post Graduation courses in Comp, Mech, E&TC and MBA.

We would hereby like to request your kind self to please accept invitation as an Expert for for Two day Workshop on Software Testing. Your kind and earnest gesture will definitely boost the morale of our students and help us promote Industry-Institute interaction in our endeavor to generate industry tailor made technocrats. We hope that you will oblige us by your earnest and kind cooperation.

Thanking you in anticipation.

With warm wishes and regards,

## ABOUT US

### ABOUT Pravara Rural Education Society

The Pravara Rural Education Society is established by Late Padmashri Dr. Vithalrao Vilke Patil in the year 1964. He laid the keel of Pravara Rural Education Society with the twin objective providing a good Education system comparable to the best in any urban areas and give a boost to the upliftment of woman through need based education. Hon'ble Padmabhushan Shri Balasaheb Vilke Patil, an outstanding leader in every walk of life in state of Maharashtra and a member of Parliament for over three decades, embarked upon the arduous task of translating the dreams of Padmashri into concrete realities by meticulous planning. The Institute is running under the dynamic leadership of Hon'ble Dr. Ashokrao Vilke Patil, Executive Chairman, Pravara Rural Education Society, Parivarangar & blessed by the pragmatic leadership of Hon'ble Namdar Shri. Radhakrishna Vilke Patil, Leader of Opposition, Govt. of Maharashtra, to equip the institute with Excellent Infrastructure & with modern method of Governance.

## ABOUT THE INSTITUTE

Sir Visvesvaraya Institute of Technology was established by Pravara Rural Education Society in 1998. It offers undergraduate engineering courses in Chemical, Computer, Electrical, E&TC, Mechanical Engineering & Information Technology and post graduate in Mechanical, Computer, E&TC and MBA. The Institute is blessed by the dynamic and pragmatic leadership of Hon'ble Dr. Ashokrao Vilke Patil, Executive Chairman, Pravara Rural Education Society, Parivarangar to equip with good infrastructure and with modern facilities.

## SCOPE & AREA

"Hadoop - The one who works on data integration between Hadoop and different systems. Knows Java or python) and major parts of hadoop ecosystem. The

infrastructure people who look after the maintenance of Hadoop Cluster, updation etc. Python excels at integration tasks. Many applications use Python as an embedded scripting language; while it's not as light as Lua, it's much more versatile and has all sorts of ready-made tools so it makes a great tool for gluing things together. This course will help you to become a master of one the most famous and feature rich NoSQL database. This course is designed to provide knowledge and skills to become a successful MongoDB expert. The course covers a range of NoSQL and MongoDB topics such as CRUD Operations, Schema Design and Data Modeling, Scalability."

## OBJECTIVES

1. Recognize and identify Apache Hadoop daemons and how they function both in data storage and processing.
2. Python is often used as a support language for software developers, for build control and management, testing, and in many other ways.
3. To gain an insight into the Roles played by a MongoDB expert.
4. Understand MongoDB Aggregation framework, and MongoDB.
5. How to Perform various operations on BIG DATA?
6. Study of Python with Program Organization and Functions.

## ELIGIBILITY OF PARTICIPANTS

Faculty Members, Students & research scholars from engineering discipline.

## REGISTRATION FEES

Students / Research Scholars: Rs. 200/-

## ACCOMODATION

Accommodation facility can be provided limited number of participants on the request of the participants with prior intimation to organizing committee on first come first serve basis.

**Subject: Invitation for One day Seminar on "Big Data" on 19/8/2014.**

**Respected Sir ,**

Our Institute Sir Visvesvaraya Institute of Technology, Chincholi, Nashik was established in 1998-99, by the prestigious and renowned Pravara Rural Education Society, Loné. The institute presently offers four year degree courses leading to Bachelor of Engineering in Chemical, Computer, IT, Mechanical, E&TC, Electrical. Also Post Graduation courses in Comp, Mech, E&TC and MBA.

We would hereby like to request your kind self to please accept invitation as an Expert for for One day Seminar on Big Data. Your kind and earnest gesture will definitely boost the morale of our students and help us promote Industry-Institute interaction in our endeavor to generate industry tailor made technocrats. We hope that you will oblige us by your earnest and kind cooperation.

Thanking you in anticipation.

With warm wishes and regards,

Dear Sir,

A per our discussion on phone I am sending details of workshop cum competition.

Greeting from Chemsys !!!

About us:

Chemsys was established by team of Professional Engineers. We undertake Process Plant Engineering & Design, Procurement & Construction, Pre-commissioning & Commissioning and Operation activities as well as Training Activities.

Our company wish to organize workshop cum competition for T.E. and B.E. student in process engineering field in your college.

Workshop Details:

Sr.No	Content	Spec.	Time
1	Introduction	1) Company Introduction 2) What is process engineering? 3) Role of process engineer? 4) What are Future opportunities in process engineering field? And other field of engineering	30min
2	Workshop Topics	Simulation software based workshop / Process Plant Equipment Design workshop (Any one topic)	45 to 60 min
3	Filtration Exam	Round 1 <sup>st</sup> Filtration Exam: Object type Exam / Round 2 <sup>nd</sup> Simulation Problem Solution or Design Problem solution	30 min
4	Prize Distribution	According to Company Norms	20min

Eligibility:

T.E and B.E student from Chemical, Petrochemical, petroleum  
Entry free of cost

Data Required From Institute:

- 1) Which Chemical Simulation software do you have in your Institute?
- 2) Strength of B.E and T.E student?
- 3) Responsible person from your college for co-ordination of workshop with our company people (i.e Name and contact No.)
- 4) Date and timing of workshop (Probably In between 2nd Aug to 4th Week of Sept.)

For more details please contact undersigned.  
Please find attachment with this mail.

(This workshop also offered to other institutes that's why first cum first basis)

Dear Sir,

Thanks for your cooperation. As per our Date and Time discussion regarding workshop, we are going to conform Date on 2<sup>nd</sup> Sep 2013 (Mon) AT 1:00 PM at your Institute.

## Workshop Details:

Sr.No	Content	Spec.	Time
1	Introduction	1) Company Introduction 2) What is process engineering? 3) Role of process engineer? 4) What are Future opportunities in process engineering field? And other field of engineering	1:00 P
2	Workshop Topics	Process Design : Heat Exchanger Design with Data Sheet Preparation.	1:30 P
3	Filtration Exam	Round 1 <sup>st</sup> : Filtration Exam (Object type Exam) /Round 2 <sup>nd</sup> : Heat Exchanger Design Modeling	2:45 P
4	Prize Distribution	According to Company Norms.	3:15 P

- Arrangement Required:

1) Projector for Presentation.

## Data From College:

- 1) Strength of B.E and T.E student ?
- 2) Responsible person from your college for co-ordination of workshop with our company people (i.e Name and contact No.)

- Workshop is Free of cost.
  - Open to all T.E and B.E students.
  - Please circulate notice regarding workshop.
- Please arrange infrastructure so that all students can attend this workshop.

Dear Sir,

Thank you very much for conducting the workshop in our institute on " Process Engineering Workshop cum Competition". The workshop is very helpful for the awareness of soft skills & new upcoming things in our field. The feedback from the students are very good.

Thank you very much for your kind support to develop our students.

The snaps of the event, I will send very soon after collection of the photographs.

With Due Regards,

Have A Nice Day,

## ABOUT US

### ABOUT Pravara Rural Education Society

The Pravara Rural Education Society is established by Late Padmashri Dr. Vitthalrao Vikhe Patil in the year 1964. He laid the keel of Pravara Rural Education Society with the twin objective providing a good Education system comparable to the best in any urban areas and give a boost to the upliftment of woman through need based education. Hon'ble Padmabhushan Shri Balasaheb Vikhe Patil, an outstanding leader in every walk of life in state of Maharashtra and a member of Parliament for over three decades, embarked upon the arduous task of translating the dreams of Padmashri into concrete realities by meticulous planning. The Institute is running under the dynamic leadership of Hon'ble Shri Rajendra Vikhe Patil, Managing trustee, Pravara Rural Education Society, Pravarnagar & blessed by the pragmatic leadership of Hon'ble Nandur Shri. Radhakrishna Vikhe Patil, Minister for Agricultural and Marketing Govt of Maharashtra, to equip the institute with Excellent Infrastructure & with modern method of Governance.

## SCOPE & AREA

"As the world moves into a hyper-connected society with universal internet access, it is hard to imagine a 'computer crime', and perhaps any crime, that will not involve electronic evidence linked with internet connectivity. Such developments may require fundamental changes in law enforcement approach, evidence gathering, and mechanisms of international cooperation in criminal matters. As cyber criminals become more sophisticated, companies fall victim to cyber espionage, the enterprise needs to become increasingly more vigilant. This seminar advice on cybercrime and how to provide cyber security.",

## OBJECTIVES

1. Appraise the rudiments of cybercrime and computer forensics.
2. Assess the process, the techniques, and technologies used by hackers to gain unauthorized access to information systems.
3. Examine the processes, best practices, and techniques to manage and prevent Cybercrime.
4. Learn the threats and vulnerabilities in today's digital world.
5. Understand tools & techniques used by adversaries to launch intrusions.
6. Learn to identify Internet fraud & be secured.
7. Gain knowledge of the best practices for safe Internet transactions

## ABOUT THE INSTITUTE

Sir Visvesvaraya Institute of Technology was established by Pravara Rural Education Society in 1998. It offers under graduate engineering courses in Chemical, Computer, Electrical, E&TC, Mechanical Engineering & Information Technology and post graduate in Mechanical, Computer, E&TC and also MBA. The Institute is blessed by the dynamic and pragmatic leadership of Hon'ble Shri. Rajendra Vikhe Patil, Senate member of the University of Pune, Pune to equip with good infrastructure and with modern facilities.

## REGISTRATION FEES

Faculty Members, Students & research scholars from engineering college of any disciplines.

Students/Research Scholars: Rs.300/-

## ACCOMODATION

Accommodation facility can be provided limited number of participants on the request of the participants with prior intimation to organizing committee on first come first serve basis.

1)The Graduate/Post Graduate Students From B.E,B.Tech.,B.Pharm.,M.Pharm, M.E,M.Tech.,MD,MCA,MS(M.Sc.),etc., who are likely to pursue their Ph.D.degree in Computational Science.

2)Doctoral/Postdoctoral Fellows who are pursuing their research in this field.

3)Working professionals from industry, Hospitals, Institutions and Academia, who are interested in learning the essentials of this area.

Session 1

- Introduction to MATLAB
  - Working with the MATLAB user interface.
  - Entering commands and creating variables.
  - Analyzing vectors and matrices.
  - Visualizing vector and matrix data.
  - Working with data files.
  - Working with data types.
  - Automating commands with scripts.

Session 3

- Supports matrix data types for representing images  
8-bit integer grayscale images (signed integers)  
a matrix not exceeding matrix in MATLAB

Session 4

- ## **» Introduction to Simulink and its applications.**

SESSION 2

- Case Study: Human Computer Interaction
  - Managing data
  - Calculating summary statistics
  - Visualising data
  - Fitting distributions
  - Performing tests of significance
  - Performing analysis of variance
  - Fitting regression models

Subject: Invitation for One day Workshop on "Hadoop" on 10/11/2013.

Respected Mam ,

Our Institute Sir Visvesvaraya Institute of Technology, Chincholi, Nashik was established in 1998-99, by the prestigious and renowned Pravara Rural Education Society, Loni. The institute presently offers four year degree courses leading to Bachelor of Engineering in Chemical, Computer, IT, Mechanical, E&TC, Electrical. Also Post Graduation courses in Comp, Mech, E&TC and MBA.

We would hereby like to request your kind self to please accept invitation as an Expert for One day Workshop on Hadoop. Your kind and earnest gesture will definitely boost the morale of our students and help us promote Industry-Institute interaction in our endeavor to generate industry tailor made technocrats. We hope that you will oblige us by your earnest and kind cooperation.

Thanking you in anticipation.

With warm wishes and regards,

all
