Name of Department	Research & Development Cell
Name of event organized	Seminar
Title of the event	SEMINAR ON RESEARCH METHODOLOGY
Date of event organized	15-03-2018
Name of the coordinator of event	Dr.G.B.Shinde
Class of the Participant	B.E students and Faculty
No. of Participant (Student+ Staff)	42 students + 48 faculty
Name of the Expert with designation	Dr.Rohidas Bhoi, Technical Superintendent, Department of Chemical Engineering, IIT Bombay, Powai, Mumbai-400076
Contact Number & Address of the expert	Phone: +9122-257642 34/07 Mobile: 9833232946, email: rohidas_b@iitb.ac.in, Department of Chemical Engineering, IIT Bombay, Powai, Mumbai-400076
Objective of the event	To create awareness about research methodologies and new trends in research among students and faculty of the Institute and to motivate the faculty and students to undertake research activities.
Outcome of the event	The students and faculty were encouraged to participate in active research projects .The seminar created awareness about research methods and new trends in research and development which are being practiced in Industries and renowned research laboratories. The guidelines given in seminar shall help the future research students and faculty to optimize the research activities by selection and adoption of suitable research methods.

Two Days State Level Workshop

The Department of Chemical Engineering has organized a two days State level workshop sponsored by BCUD, Savitribai Phule Pune University on "**Application of Computer Aided Chemical Process Simulation**" on 9th to 10th Feb 2018

Name of Department	Chemical Engineering
Name of event organized	Two days State level workshop
Title of the event	Application of Computer Aided Chemical Process Simulation
Sponsored by	BCUD, Savitribai Phule Pune University
Sanctioned Amount	87,500
Date of event organized	9 th to 10 th Feb 2018
Name of the coordinator of event	Prof. Mahendra Guddad
Class of the Participant	This program is open to the Faculty, UG, PG and Research students of Chemical Engineering from various Institutes. Practicing Engineers from industries can also participate.
No. of Participant (Student+ Staff)	Outside Participants = 32 SVIT Faculty and students = 75
Name of the Expert with designation	List attached
Objective of the event	<ol style="list-style-type: none">Understand the computational foundations of process simulators,Learn how to use process simulators effectively to build, simulate and optimize complex processes.
Outcome of the event	<ol style="list-style-type: none">Students acquire basic knowledge about various process simulation softwares.Students understood how to design the size of equipment in a chemical plant, the amount of energy needed, the overall yield, the magnitude of waste streams generated and the profitability analysis.
