Code of Ethics for checking malpractices and plagiarism in Research

The main objective is to promote the research and research publications and prevention of misconduct including plagiarism in R&D.

Sir Visvesvaraya Institute of Technology is committed to promote and maintain high standards of integrity and accountability in the conduct of academic research and is keen to implant and endorse the culture of honesty and transparency in all its institutional activities while trying to allow academic freedom and innovative thinking. The institute strives to preserve academic honor and integrity by eliminating all forms of academic and intellectual fraudulence, including plagiarism.

The college is committed to maintain the standard of research, original thought and expression which are ensured through review committee constituted at Institutional level. All teachers and students follow the guidelines given by Savitribai Phule Pune University for publication in various journals which are recognized by the UGC. Every Research Scholar of the institute pursuing degree has to check his/her final project report using plagiarism detector before submission. Our library is equipped with quality journals, e-journals, e-books from various disciplines. It helps to provide a good platform for quality research.

The review committee comprises

1. Principal

2. Vice – Principal

3. Dean (R&D)

4. HOD of Respective Departments

5. Subject Expert

Plagiarism:

Plagiarism represents unethical scientific behavior which is never acceptable. Proper acknowledgement of the work of others used in a research work must always be given. Further, it is the obligatory on part of each author to provide prompt corrections of errors in published work.

Degrees of plagiarism

1. Invalid Source

2. Secondary Source

3. Duplication

4. Paraphrasing

Pravara Rural Education Society's

5. Repetitive Research

6. Replication

7. Misleading Attribution

8. Unethical Collaboration

9. Verbatim plagiarism

10. Complete plagiarism

Possible nature of Ethical violations:

• *Conflict of Interest*: Any action that may result in a conflict of interest must be fully disclosed. When impartiality and effectiveness cannot be maintained, the activity should be avoided or discontinued.

• *Disputes about authorship*: Proper authorship representation is usually a matter for the involved parties to resolve.

• *Duplicate Submission*: Duplicate submission is unprofessional and unacceptable. It misuses the resources of all affected journals, including the valuable time of editors, reviewers, and staff.

• *Fabrication of data or results*: Any incidence of fabrication shall be considered to be an extremely serious breach of professional conduct, with potentially severe ethical and legal consequences

. The institution checks the plagiarism of research thesis online sources.

Plagiarism Checker Software:

1. Plagiarism Checker (https://www.plagiarismsoftware.net/)
2. Quetext (https://www.quetext.com/)
3. Duplichecker (https://www.duplichecker.com/)

Action /Penalty against defaulters:

Any violation of the rule and other issue, complaints regarding plagiarism attracts disciplinary action to be imposed by committee within one month from the day of complaint. Depending on the type of act and violation of code of ethics, suitable penalty or punishment against defaulters shall be recommended by the review committee.
